Dear Provider,

Extension of the Provider Recorded Status

The Services SETA ETQA (SETQAA) has extended the Provider Recorded status until 31 December 2010. However, Providers falling within this category are strongly advised to apply for Accreditation. Recorded Providers are required to complete and sign the attached application form in order to extend their Recorded Provider status. The signed document must be returned to SETQAA for the extension to be effected.

Potential Providers applying for the Recorded status are advised to rather align their learning programmes to existing registered SAQA unit standards/qualifications and to seek an Accreditation status. Hence, the Recorded status will only be awarded to Providers who offer training in areas where unit standards and qualifications have not yet registered.

CONDITIONS:

Please note that Recorded Providers may not use the Services SETA logo.

Should you require any further information do not hesitate to contact the Services SETA ETQA (SETQAA).

Yours sincerely
