PREFERRED EXTERNAL SDF'S

Dear SDF

The SSETA is in the process of re-evaluating our current preferred external SDF's. With the rapidly changing Skills Development arena it has become necessary to set new criteria to ensure that we maintain our quality processes.

We are therefore going to remove the list from our website effective the 14th of August 2006 and new criteria will be posted on to our website. Details of how the new process with regards to applications will also be posted on our website.

Thank you all for all of your dedication, support and patience.

We look forward to paving the way of Skills Development with you.

Kind regards,

Bibi Moosa
